

Montour Falls Library

FROM THE MONTOUR FALLS FREE PRESS, Jan. 21, 1904

By Mrs. Elizabeth P. Hopkins

In accordance with the wish of Mr. Woodhull the books of the free library were moved into the new building on January 13th. A number of ladies gathered at each place, and the books were quickly packed and put in place on the new shelves. Herman Platt and M N Weed & Son contributed the use of horses and sleighs for transportation, the grocers loaned baskets, and the moving was accomplished in the one day, so far as the books were concerned. The bookcases and lamps in the old room are for sale, and may be seen there at any time.

The fine cases at the Memorial building lend a grace even to a shabby and well worn book, and after the new classification is completed, they will make a fine appearance. There are nearly 1,900 volumes in the library, and there will be additions to that number soon.

The Memorial building is a model of beauty and convenience, and should be visited by everyone. A cordial welcome will be given to all who come. A number of handsome rugs were placed on the floor last week, one large one, being a gift from Mr. Woodhull. He has also sent a handsome table and ten chairs for the reading room, and has given a year's subscription to a large number of periodicals.

A fine electric lamp for the table, and andirons for the fireplace have also been given by him. Lights have been placed on each porch, and the room itself is brilliantly lighted by electricity. The furnace makes the room comfortable, even on so cold a day as last Saturday.

A committee has been appointed to select the furniture which will be needed librarian's desk and chair and other pieces. William Cronk who has charge of the subscription for that purpose reports good success. It is felt that everyone will be glad to give something toward this fund and

A committee has been appointed to select the furniture which will be needed—librarian's desk and chair and other pieces. William Cronk who has charge of the subscription for that purpose reports good success. It is felt that everyone will be glad to give something toward this fund and gifts for that purpose may be given to Mr. Cronk. Small sums soon aggregate large ones, and will be as gratefully received. Don't wait for Mr. Cronk to call upon you, but pour in your donations at once so that all necessary furnishings may be supplied without delay.

The hours for opening the library will remain as heretofore for the present, viz: from 4 to 5 p. m., on Tuesday, Thursday and Saturday. About February 15th, it is proposed to have the rooms open every afternoon for loaning books and every afternoon and evening for reading.

The library association feel unable to express in fitting terms their gratitude to Mr. Woodhull for this magnificent gift. It far surpasses their wildest hopes and in their efforts to sustain it, they will without doubt have the hearty support of every citizen.

"Memorial Library"—Announcement.

The trustees of the "Memorial Library" take pleasure in announcing to the people of Montour Falls that on February 15th next, there will be established a free reading room, well lighted and heated, where the following weekly and monthly publications will be found:

LIST OF PERIODICALS.
